**5TH ANNUAL CONFERENCE
IN MATHEMATICS, SCIENCE, ENGINEERING AND TECHNOLOGY
FOR YOUNG WOMEN IN GRADES 4 THROUGH 8
SATURDAY, MAY 7, 2005
COLLEGE OF THE SEQUIOAS, VISALIA**

This exciting conference is for young women in grades 4 through 8. It is designed to nurture girls' interest in science, mathematics, engineering and technology, while encouraging them to consider career options in these fields. The young women will learn about career opportunities by participating in hands-on workshops led by women scientists, mathematicians, and engineers. Conference participants will receive the opportunity to form personal contacts with women working in these fields and meet other young women who share their interests.

For registration information, contact Julie Joseph or Lori Harding at Educational Resource Services at 559-651-3641 or e-mail jjoseph@tcoe.org or lharding@tcoe.org.
